Q. When you said your primary care physician said, is that Emily Lo?

A. No, it's the new lady I have. I haven't seen her yet either.

Q. You haven't seen her, but have you spoken to her?

A. I have messaged her --

O. Tell --

A. -- through the Kaiser app.

Q. Tell me a little bit about your messages with the primary care physician.

A. When I got discharged from Urgent Care, they did some scans, and they said they were going to send it to her. A couple days passed by, I didn't hear anything, so I sent her a couple messages.

That's when she finally wrote back and said that, you know. and I had to take it easy. If the pain came back, take ibuprofen, and if the symptoms get worse, to contact her and go see her. And that's when she said that I have to go see an OB/GYN, because also I have which she was concerned about.

Q. Was that between certain of your children, do you remember?

A. Yes. Yes, Josiah.

17 Q. After Josiah?

Josiah? Yeah. Jaiden.

A. It was after Jaiden.

Q. And after you delivered Jaiden, at any point did you go on to birth control of any sort?

A. No.

Q. Have you ever --

A. I never went to see one, no.

Q. Have you ever gotten treatment from any sort of counselor?

A. No.

Q. Generally speaking, how do you choose your doctors?

A. Kaiser chooses them, and sometimes I could switch, but I don't because, like I said, I don't go see them unless I'm seriously injured or seriously in pain.

Q. You said Kaiser chooses them. Is Kaiser your insurance company?

A. In 2015.

Q. Upon getting married?

A. Yes.

Q. Did you have insurance before that?

A. Yes, I did.

Q. What insurance did you have then?

A. It was through the state, Medicaid.

Q. So just trying to understand the timing of getting on to Kaiser insurance as compared to your -the birth of your children, did you switch to Kaiser insurance while you were pregnant with Jaiden?

Q. Can you explain that to me, how that timing worked?

A. I had Medicaid when I was pregnant with Jaiden. Then once I got married, my husband put the children and I on Kaiser.

Q. That was after you had Jaiden?

A. After I had Jaiden, correct.
